Dr. Beverly Tucker was passing when the accident occurred and stat ed last night that he heard the crash as the cars collided. He hurried to the assistance of the accident victims ind removed all of them but Jones to. Stuart Circle Hospital in his car.

Jones disappeared immediately aft er the accident and later it was learned that he had run and walked all the way to the Stuart Circle. The distance is more than a mile. Mistak ing the home of C. L. Corbin at 2 Stuart Apar: ments for the hospital, he walked into the parlor, covered with blood and sank down on a chair. The screams of his wire brought Mr. Kans., Area, and First Coal Dug Corbin to the scene and he doclared last night that Jones at first refused to give his name or where he had re cived his injuries.

When it was suggested that an an bulance be called from the Virgin ia Hospital, Jones is said to have ob jected violently but finally agreed to go to the Stuart Circle Hospital. # Miller Amusement Corporation

WE BEG TO ANNOUNCE THE FORMATION OF THE MILLER AMUSEMENT CORPORATION AND THE OPENING OF ITS STOCK BOOKS.

The need of a first class theatre, operated and controlled by ourselves, showing the best pictures, stock companies and vaudeville, such as are owned in many cities of the North, has been apparent for several years. We have silently witnessed the building of for-tunes by others. Why not make fortunes for ourselves?

With your help we propose to build our theatre on Second Street, and to this end have formed the above corporation with a capital of \$200,000 and will sell, for a limited time, stock at \$10 per share, par value. We invite you to help put this across.
